Mel

Caroline is very kind, caring and considerate to ALL employees within our Trust. Nothing is ever too much trouble; she goes above and beyond daily to ensure that she looks after everybody's wellbeing and supports them within their role.

Becky

Caroline goes above and beyond for us all within Crofty Trust. The knowledge, understanding, help and support she shares with us all is impeccable. She is our work Mum! A lady you always want around. I cannot imagine how many people, adults and children alike, she has helped and encouraged over the years. A lady you will always remember...

Nathan

Caroline has fulfilled many roles within her time at Portreath and Crofty MAT. In all these roles she has always put the children and other staff before herself, nothing is ever too much. The Trust and the Shared Services Team wouldn't be in the place it is now without her tireless work.

Martin

I would like to nominate Caroline for the following reasons:

Her commitment to all schools and children in the Trust.

Her commitment to making sure all staff are fairly treated and supported.

Her continuing commitment outside of work to better the community of Portreath, which directly impacts on so many of our pupils in that area.

Always being the person who will go above and beyond to support a colleague in need.

Doing all the things nobody notices (getting milk and drinks, paper for the printer, toilet rolls, cleaning!)

Her amazing baking skills. 😊

Crofty Community Awards

When I joined Crofty, Caroline was so very helpful in making me feel at home and part of the team. She answered my endless questions with patience and a smile, which I soon came to realise was her default manner! She cares about us all and is always willing to help in any way that she can. Caroline makes each of us feel valued as a person, for who we are. She is the jelly in our trifle!! (Jelly is my favourite bit!)

Clair

Honest, dependable, and incredibly hardworking, often the first person in the office in the morning and the last to leave in the evening. Caroline has been extremely flexible over the years and regularly goes above what is expected of her. Caroline is also the kindest person you are likely to meet.

Steve

Caroline is the most selfless person I know, always ready to drop everything for whoever or wherever she is needed across the trust. She always goes above and beyond and is a truly remarkable person inside and out. Caroline genuinely cares about everyone and always puts other people before herself. I feel so lucky to work with Caroline and also call her my friend. This award is well deserved for all her hard work and dedication to the trust and the team! We love you, Caroline! 😊

Stacey

Every organisation needs a Caroline!

She is always putting others before herself and takes everything in her stride. She has a great capacity for organising all the things that mean so much to people – whether it's making sure we have enough tea and coffee, organising us all for Crofty gatherings or remembering everyone's birthday.

She has a great sense of humour and will always try and help with everything, from moving furniture (which I'm pretty sure she shouldn't be doing) to nurturing new admin staff.

A well-deserved award!

Phil

While we have only worked with Caroline for a fraction of the time everyone else, you cannot fail to notice her selflessness and compassion for others. Always the first in line to help others in need, whether personally or professionally, she is truly one of a kind.
