Mrs Collins, Mrs Andrews

Welcome	<p>Mrs Andrews welcomed everyone to the meeting and shared a powerpoint that explains about the 3 different Trust Councils we will have from now on:</p> <p>Trust Eco Council Trust Parliament (this has not yet started) Crofty Coastal Crew</p> <p>Mrs Andrews explained that this was the first meeting of the Crofty Coastal Crew and not to worry if there had been some confusion about which children needed to attend which meeting.</p> <p>The Coastal Crew needs 2 children from each school to be members (preferably 1 child from year 5 and 1 child from year 6).</p>
What we will do this year	<p>We talked about the activities for the Coastal Crew this year. This information is within the Coastal Crew powerpoint (sent out with the minutes). Basically the Coastal Crew has been created to celebrate all things about our amazing coastline - wildlife, safety, jobs and sustainability. Our focus this year will be on the fishing industry and its sustainability.</p> <p>The first thing we want to do is create a factfile of interesting things about our coast. There are some ideas of what we can do within the powerpoint but any other ideas would be great.</p> <p>Please send your 1 page (A4 size) fact file / information sheet to Mrs Andrews by Wednesday 11<sup>th</sup> December. Mrs Andrews will put these together so we can look at them all together in our meeting on the 12<sup>th</sup> December.</p> <p>You can create your one page document on a computer or on paper (and then scan it in and email the scanned document across).</p> <p>If you can, share news about the Coastal Crew with your class / year group / school, on the school newsletter or in assemblies.</p>
Badges	<p>Mrs Collins has organised for badges to be made for all members of the Crofty Coastal Crew. These badges will be heading to schools in the next few weeks. Please wear your badge if you can so that everyone in your school knows you are on the Coastal Crew team!</p>
Next meeting	<p>Thursday 12<sup>th</sup> December at 2pm.</p>
	<p>Thank you to everyone for attending and to the adults for helping us to set up the teams call!</p>
